Dear Carol,

Thank you so much for being so nice to me in all my years at Roosevelt. I shall always remember our friendship.

Carol set all your goals to things which are about also, do things which are good and right in god's sight because there you will find happiness and success everlasting. Two things that man are striving for are peace and security. But so many people are so afraid to give Christ full control of their lives because they feel that they have to give things up. But, of course, you and I know that it isn't so. We get more in return. God always. Trust in the Lord.

Lovingly,
Barbara J. Lehr

Carol,
Hope you'll find great happiness - the kind that God gives, complete joy. - Marion

Dear Carol,

It's been a long, hard pull but at last we are out. Yes out - out of Miss Kearns' "dead" history class, "dead" ole speech, no-mentia - English class. Now that school's almost over, I think (only think, mind you) that I can go it miss school - on second thought, I think it'd be the kids. Oh my. So good - glad for you.

Dear Carol,

It's been the greatest pleasure knowing you for almost three years but I'm afraid I can't say that I'm sorry to leave. Although I've had many pleasant times there, I'm looking forward to a change. I regret not having had more time to get better acquainted with you, but there's always next year. Try to write during the summer. We enjoyed your visit very much. Please come again. Sorry I couldn't be home but I was working. Hope you had a nice time. Love, Cecil Abrams.

Dear Carol,

June 5,

Wow, time has sure flown by fast, hasn't it. We'll be graduating in a few days.

I have really enjoyed your friendship these years. I hope our friendship will grow stronger as the years go by. Don't forget me, the best.

I hope you'll give me a ring once in a while during the summer.

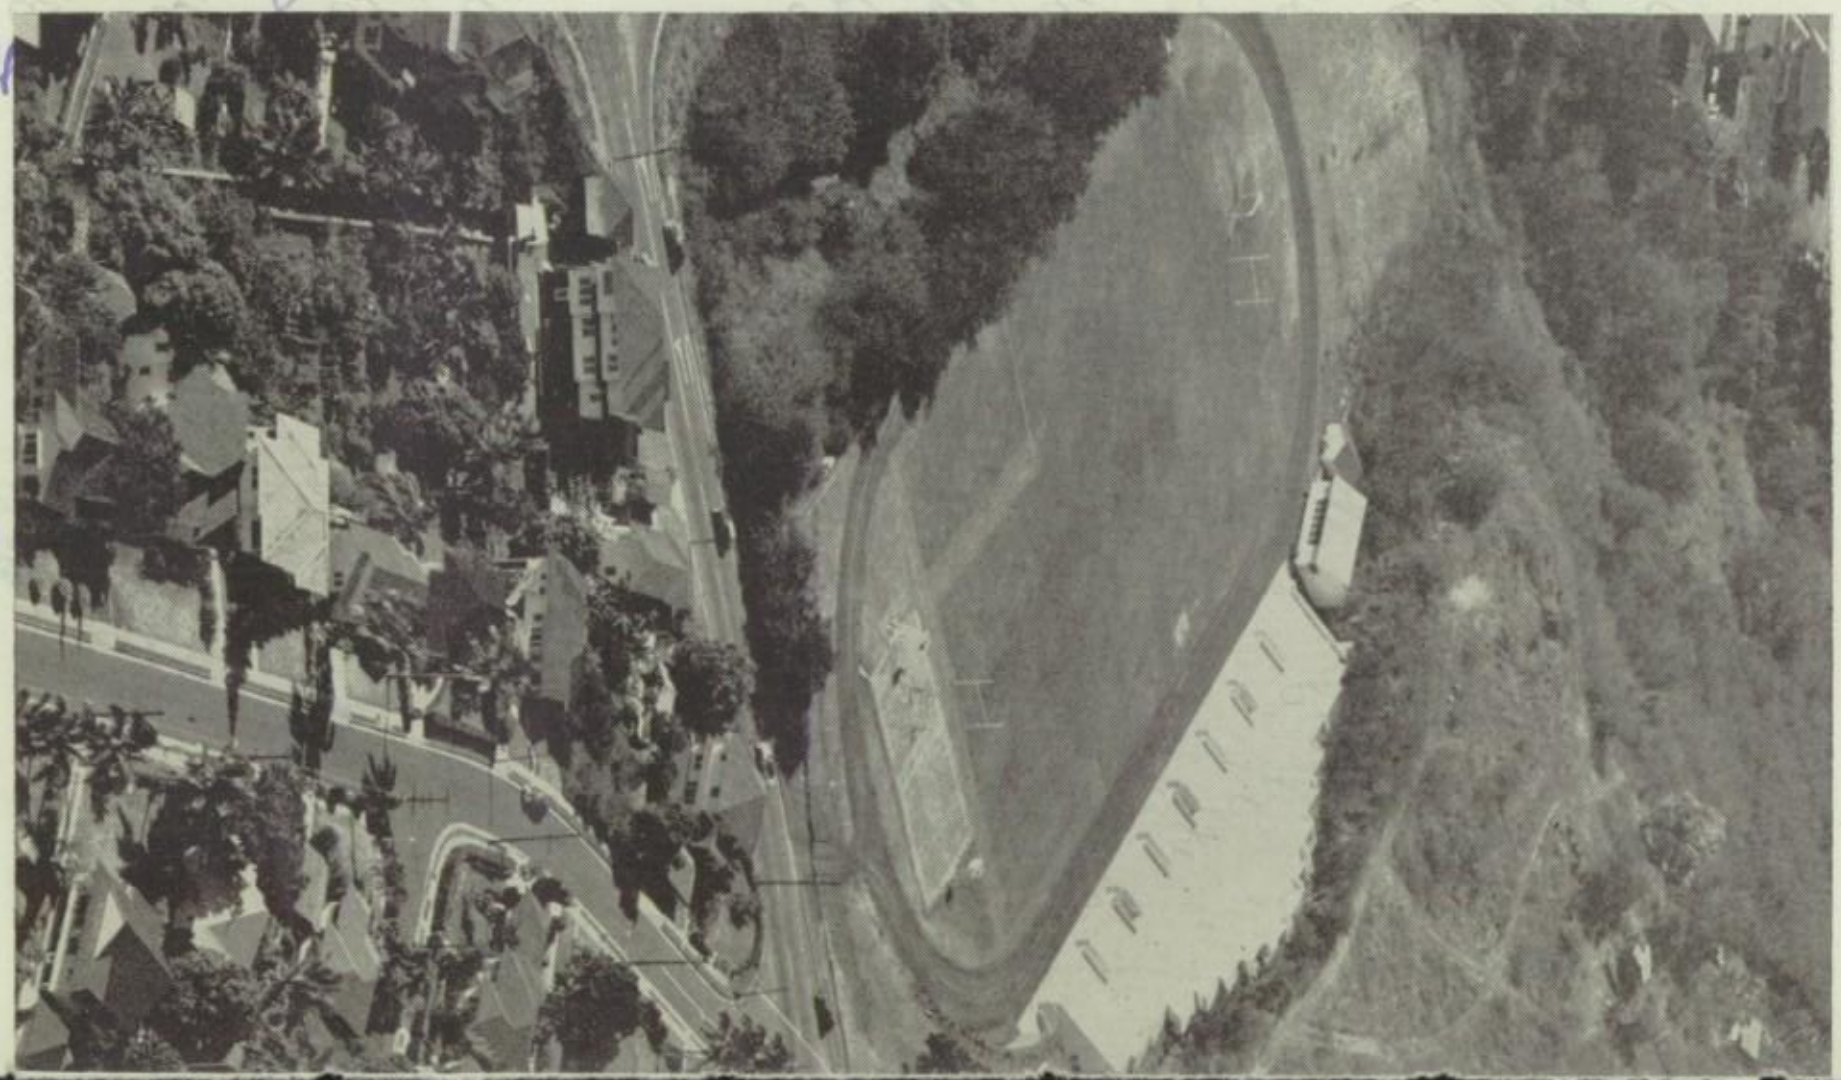
I hope we can enjoy doing things together like we used to again.

May you have the best

Dear Carol,

It's been swell having you as a classmate. All in all, I'll say Roosevelt High was a swell school. Don't you wish you could go through it again? I sure do. I'll miss you next year.

Roosevelt—our world within a campus!
the tower, cherished symbol of the Red and Gold, a landmark in our world of happy memories . . .
a harmony of races, a family of nations . . .
that intangible something, emanating from the laughter floating down the halls or the hush of the library
the living spirit of loyalty, pride, and friendship . . .
a stepping stone to bigger and better things . . .
All these comprise our Alma Mater.



This is . . .

Aloha & Best Wishes
to a real swell friend.
I've truly enjoyed knowing
you. May success and
happiness be yours always.
Sincerely
Yukio Kokaze

SENIOR CLASS HISTORY

On the morning of September 5, 1949, six hundred students from all parts of Oahu arrived on the Roosevelt campus for their first high school day. A great surprise was in store for these sophomores. After roll was taken, the Stanford Aptitude Test was administered by homeroom teachers. Thus, this class became the first to take a test on the first day of school.

In the midst of all the confusion, they soon found a warm Aloha within their new surroundings. They organized, in each homeroom, a hospitality committee which welcomed newcomers to Roosevelt, bade farewell to those who had to leave, and sent flowers and cheery messages to students who were seriously ill. This service gained wide-spread interest in the school and is now carried on by a student-body committee.

Having carried out all tasks enthusiastically, the class of '52 ended its sophomore year with a successful picnic at the Kalama beach club, where Sam Mokuahi and Martha Gonsalves were elected Mr. and Miss Sophomore Class.

With determination and eagerness, 1950's juniors returned in the fall. That outstanding year of work and play was undertaken with efficiency, dignity, and interest in learning. The Junior Picnic, held on November 18, was climaxed by the coronation of Robert Haselman and Waonette Silva as Mr. and Miss Junior Class.

On the serious side, Occupational Information, a required course, aided juniors in the selection of suitable occupations. Guest speakers spoke about job opportunities at special assemblies.

"Enchanted Evening," the Junior Prom, was held February 9, 1951, at the American Chinese Club with "Sweethearts' Wonderland" as its theme. Marilyn Lunt and Dante Carpenter were crowned as the royal couple of the evening.

Leading the five hundred twenty seniors in their last lap were President Betty Ann Rapozo, Vice-President Marylyn Mitsuo, Secretary Victoria Chun, Treasurer Kelvin Young, and Councillor Janice Leong. The capable guidance and untiring efforts of Mrs. Margarite Horne made possible the various activities.

"Autumn Leaves," the Senior Prom and the first event of the year, was held November 3, at the Ala Wai Clubhouse. The annual Senior Picnic, January 25, concluded with the crowning of Mr. and Miss Senior Class—Eric Tuatagaloa and Delthia Colburn.

Senior Class Day, May 29, was observed by wearing the class colors, red and white, and the presentation of the class play. The evening was highlighted by a banquet at Lau Yee Chai and a last canteen on the familiar patio.

Graduation was held in the early evening of June 8 in the school stadium, decorated for the occasion by the class of '53. Commencement Ball the following day drew to a close the cherished days of high school.

As the seniors of '52 leave the portals of their Alma Mater, they feel prepared by three years of experience and knowledge to undertake new challenges and different responsibilities.

ADMINISTRATION

ADMINISTRATORS

MR. CHARLES B. BARRETT
Principal

One of the most important functions of our school is assumed by the administration. Our new principal, Mr. Charles B. Barrett, with the help of his assistants, has carried on a fruitful year of work. Miss Hortense Schwallie, vice principal, and Miss Evlyne Johnson, registrar, have done their endless tasks with efficiency and patience. Replacing Mrs. Daisy Chun in mid-year as secretary was Miss Michiko Uchida. Miss Blanche Yoshino, a 1951 Roosevelt alumna, was the business manager.

Always on hand to serve, the efficient administration has helped to overcome many problems. Trying to produce the best for the most, they rendered decisions, enforced regulations, and labored zealously to promote an effective, functioning student body.

Hats off to the administration as another successful year ends!

COUNSELORS

MRS. IVAH WILSON FEITEIRA
Group Guidance Co-ordinator
Director: Testing Program

Playing an important part on the Roosevelt scene are our teachers and counselors. Their teaching has enabled us to work to capacity, and their guidance has opened many new paths to us. Besides the tremendous task of teaching and guiding, they chaperone dances and picnics, sponsor club activities and direct student productions, seeking no reward but the satisfaction of having had a part in molding tomorrow's citizens.

At faculty meetings every Wednesday afternoon, they join the administration in formulating plans to improve the curriculum and create better understanding between teacher and student. Counseling, an integral part of the faculty's duties, has made tremendous strides since the program was initiated three years ago. To assist students in choosing their careers, our counselors have completed a well-rounded guidance program, including individual student interviews, interest and ability tests, guidance classes, and vocational assemblies.

Teachers and counselors have put much time and effort into their almost endless tasks. It is for this that we send them a well-earned "Thank you!"

How disgusting! St. Louis 21—ROOSEVELT 0!

Mmmmm! Gosh! Hold that pose!

Dearest Darlink Cherypoo,

Well now, how many years have I known you? About 6 yrs! I hate to admit it, but knowing you has really been a wonderful pleasure. ~~And~~ Don't you dare forget me and when we become grandmas, we can call each other up and talk about our hi-school days.

Carol, don't get angry when I call you "cherry-nose" because little red noses are cute. Ha! Ha!

You've always been a wonderful friend and a swell buddy. Best of everything and God bless you, Carol.

Love,

Will, Carol, have we ever at the end of our high school years? I hope this next year will be filled with joy + happiness.

Always,
Gert

Class of '53

September started the Class of '53 on its second year of work and play. Their enthusiasm already shown when sophomores, the Juniors really "came to life" during this year and took a great part in all that Roosevelt had to offer. Their leaders, with the assistance of various members of the faculty, helped them to blaze a pathway to their goal of being the best class Roosevelt has ever had.

The most anticipated event undertaken by this class was the traditional and elaborate Junior Prom held on February 9 at the Ala Wai Clubhouse. Following the theme of "Moonlight Mist" the dance was highlighted by the coronation of Kenneth Parker and Deldrien Kanoa as king and queen.

By operating a Security Patrol and by supervising traffic in the halls the Juniors earned the privilege of being the first underclassmen to hold their picnic on a school day. This picnic—proof of their zealous spirit—was held on April 4, at the Kalama Beach Club.

Active in everything they did, the Juniors also emphasized the serious side of their education. Required subjects along with electives were studied with interest. Occupational Information, a required course, was climaxed by Career Week, during which speakers from various fields of occupation spoke to the Juniors, thus helping them to choose their own future careers.

With all these many activities, the Class of '53 has really made itself an important part of Roosevelt. It is now anxious, eager, and ready for its senior year.

It's been nice being with you in newswriting. Lots of luck always

Class of '54

September 5, 1951 marked the beginning of high school life for more than five hundred sophomores, who have made their first year at Roosevelt one they'll never forget.

Class officers, President John Ogle, Vice-President Sarah Uyechi, Secretary Elenore Jones, and Treasurer Dick Brewer, worked willingly and cooperatively under the wise leadership of the sophomore adviser, Miss Katherine O'Dea, and managed affairs successfully. Participating with distinction in many school activities, such as the play, "Bewitched and Bewildered," the sophomores proved themselves to be ambitious as well as talented.

Highlighting the year was the class picnic held March 8 at Waialua Camp and enjoyed by all.

Through orientation classes, they became better acquainted with Roosevelt and are looking forward to their and senior years, because as sophomores, they have evelt a place where all can meet and work in endship, and fun, and live in fellowship with es, Roosevelt High School is their school— ed to its laughter and tears, and have minute of their first year in high school.

GOVERNMENT

EXECUTIVE

Leading in an active and memorable year, diminutive Rosita Villanueva performed the duties of student body president with tact and efficiency. Vice-President Raymond Nishibayashi was responsible for such activities as pep rallies held at the school stadium. Secretary was Edith Itamura; treasurer, Raymond Taniguchi.

The three classes were represented by their respective councilors: Janice Leong, senior; Abraham Naehu, junior; Caroline Matano, sophomore. Councilor-at-large was Stanley Chung. As non-voting members the editors of the student publications, Hilda Ching and Jean Uemura of the Rough Rider and Sumiye Oda of the Round-Up, contributed valuable services. Serving as delegates to the Oahu Youth Council were Loretta Caires and Naomi Perlstein. Delegates to the Inter-School Council were Jane Bailey and Beverly Cruze. Homeroom representatives constituted the Representative Assembly with Mr. Frederick Titcomb as faculty adviser.

For the purpose of welcoming new students to Roosevelt, a hospitality committee was organized. Another active group was the constitutional revisions committee, which worked conscientiously to improve the constitution. The hall supervision committee supervised the hallways during lunch periods. The movie committee presented a film each month for Roosevelt's scholarship fund.

Roosevelt's first inter-school dance was held in conjunction with Farrington. Highlighting the year's activities were the formal affairs, the Mistletoe Ball and the April Showers dances.

ORGANIZATIONS

ROUND-UP

With the theme "This Is Roosevelt," in mind, the thirty-three members of the Round-Up Staff have worked diligently toward one goal—that of presenting Roosevelt to you. Weeks of organizing and months of planning and execution have been spent to produce the best possible book.

Sumiye Oda, editor-in-chief, efficiently guided the twenty-second edition of the Round-Up and led her staff amid the hustle and bustle of a typical publications room. Responsible for the handling of business affairs was June Morita, our capable business manager. Our new adviser, Mrs. Nell B. Elder, gave us valuable guidance as we worked out the varied problems, social and technical, which the job involved.

Mr. Edwin Chinn and the photography department cooperated whole-heartedly to provide us with pictures. To observe printing processes, students made tours to the Honolulu Star-Bulletin plant. As a money-making project, the staff printed names of students on the covers of the Round-Up, using a new Kingsley machine purchased by the Student Council.

Presentation of the 1952 Round-Up at a surprise assembly terminated a year of rewarding work, and the members relaxed at the customary banquet.

ROUGH RIDER

Although the Rough Rider staff was handicapped by a shortage of second-year students to carry on the work, the five second-year students and a large and promising group of beginning students cooperated to produce the weekly newspaper for the Roosevelt High School student body.

The staff was headed by Hilda Ching, first semester editor-in-chief and advised by Mrs. Shizuko Ouchi. Other editors were: Jean Uemura, first semester news editor and second semester editor-in-chief; Barbara Jean Teho, feature editor; Loretta Caires, news-feature editor; Kenneth Chong, sports editor.

On the business staff were: Ann Blanchart, business manager; Jane Ohinata, advertising manager; Genevieve Freitas, circulation manager; Janet Lau, head typist.

The staff made considerable changes in the make-up of the pages, with the feature page receiving the most thorough "face-lifting."

Special editions were put out for Xmas, the Junior prom, Sophomore class day, Senior class day, and April Fool's day.

Another added service was the Rough Rider of the Air, a ten minute summary of the latest news aired over the public address system on Fridays, if a crowded exam schedule or lack of time because of holidays made it impossible for the staff to turn out a regular issue.

Staff members took time out in November and again in May for their annual excursions to the Honolulu Advertiser and Honolulu Star-Bulletin plants to learn about the mechanics of printing a newspaper.

"Are you writing a sports lead?" asks Jo Ann.

Nineteen seniors recommended for high journalistic and scholastic work were accepted by Quill and Scroll, the national honorary society for young journalists, during the first semester. A "B" average and leadership in the field of publications were required of all members.

No officers were elected, but informal meetings were held to plan the candlelight initiation ceremony and a moonlight picnic. Acting as co-advisers were Mrs. Shizuko Ouchi and Mrs. Nell B. Elder.

Presentation of the Quill and Scroll pins at the awards assembly in May rounded out the year's activities.

Usherettes Club

With Waonette Silva, Jean Uemura, Edith Itamura, and Agnes Takeuchi serving as door chairmen, the Usherettes Club once again proved itself one of the busiest groups at Roosevelt.

Approximately seventy select senior girls alternated in serving the school and community. The girls received and seated audiences at the Xmas and Easter concerts of the A Cappella choir, the annual Talent Show in February, performances of the Honolulu Symphony Orchestra and Community Theatre, the Patti Page show, and numerous other concerts, plays, and performances.

This year, the former European Aid Committee expanded its scope to include other parts of the world. The group, fifty-five strong, started the year with a cookie sale which added extra money to the treasury. Soap, candy, clothes, and other necessities were sent to our friends in Europe and Korea. A moving picture was sponsored in January to raise money for postage.

As part of the national organization of the Future Homemakers of America, the Roosevelt chapter worked diligently toward fulfilling the organization's goal of working together for a happier home life.

Led by President Valerie Lewis, this active club was sponsored by Miss Alice Stewart. Other officers were: Leslie Lewis, Amy Oto, and Lotus Won, vice-presidents; Joy Kagawa, secretary; Carolyn Arizumi, treasurer.

Various projects were undertaken during the year, including an excursion of kitchen appliance companies of the city. Club members also planned and participated in a fashion show for the student body.

The R3 Club

The Rough Riders Radio Club (or R3 Club) is an organization designed to stimulate and retain interest in the field of radio broadcasting. Writing scripts, directing plays, acting, and devising sound effects are just a few of the tasks that the group experienced this year.

Headed by Marylyn Mitsuo, president; Carol Benko, vice-president; Ann Blanchart, secretary; Lei Higgins, treasurer, this club developed into one of the most active clubs at Roosevelt. With the skillful and patient supervision of Mr. Frederick Titcomb, scripts written or adapted by Genevieve Freitas, William Barber, and Barbara Welch were produced and heard over local radio stations.

Camera Club

Despite a late start and a lack of adequate facilities, the Roosevelt Camera Club completed a successful and well-rounded year.

Instruction in simple photography was supplemented by various demonstrations. Actual darkroom work was carried on later in the year.

To promote further interest in the field of photography, the club sponsored a contest as its project of the year. Eligible entries were submitted to the National High School Photo Contest.

Officers for the year were: Raymond Nishibayashi, president; Samuel Ching, vice-president; Eleanor Leong, secretary; Walter Higa, treasurer.

Civitas Romana is divided into sections named for four Roman provinces: Compania, Venetia, Lombardia, and Aquila. In November the Aquilae staged a play, "Furianus Gets a Father." Guests were the citizens of Civitas Romana and Latin students and teachers from Punahou and McKinley. The Lombardiae had charge of the traditional Slave Week in February. A Roman Banquet was staged in February with the McKinley and Iolani Latin students. Venetiae took charge of the banquet. Entertainment was a Latin playlet, "Little Red Riding Hood." Province Compania entertained the citizens in May with an original classical play.

El Rojo y Oro

The Spanish Club, under the guidance of Mrs. Faye McCartney, proved to be very active this year. Its agenda got off to a very fine start with the customary Xmas party, and the breaking of a Pinata. The long-awaited Peon Week followed with a banquet in April. A cookie sale to raise club funds proved to be quite successful. The club's service projects included the giving of a Xmas basket to a needy family, the donation of magazines to servicemen, and the adoption of a Spanish war orphan.

El Rojo y Oro was led by: Edith Itamura, president; Lillian Ohara, vice-president; Carol Benko, secretary; Alvin Lee, treasurer.

Officers of the seventh period class were: Gary Schlemmer, president; Marvin Ching, vice-president; Betty Chun, secretary; Eleanor Leong, treasurer.

ROOSEVELT LITTLE THEATER

Several years ago one of Roosevelt's most prominent clubs was organized and was received with much enthusiasm. This was the Dramatics Club which is now known as the Roosevelt Little Theater. Through the years it has grown greatly and now boasts an active membership of sixty-seven enthusiastic students.

Within this club are small committees which helped with the staging of several dramatic productions during the year. "Bewitched and Bewildered" and "Thank-you, Doctor" were two successfully staged plays.

The Talent Show in February, for which any student in Roosevelt is eligible to try out, is one of the club's yearly productions. When the show goes on, there are usually at least one hundred and fifty students participating.

In addition to helping with productions, the committees also read plays, studied make-up and lighting, and learned the division of the stage.

Mrs. Grace McAllister served as the adviser of this club.

AKE AKAMAI

Ake Akamai, formerly the Roosevelt Science Club, opened its membership this year to any student taking a science course.

Members of this outstanding club lived up to their motto, "Scientia crescat," by participating in individual and group projects, touring scientific centers of the community, and making reports on their observations.

The scientific Xmas tree and Science Week in March were the annual club highlights. During Science Week displays of project work were publicized throughout the school. Movies, taking of Westinghouse Scholarship Aptitude tests, and guest speakers on hypnotism and plant grafting rounded out the club program.

Planning the bi-monthly meetings were: Morris Kitamura, president; Marylyn Mitsuo, vice-president; Hilda Ching, secretary; Leslie Hong, treasurer; Sumiye Oda, sergeant-at-arms; Miss Evlyne Johnson, adviser. Responsible for excursions were co-chairmen Amy Senaga and Bob Walkington.

R.O.T.C.

Roosevelt High School has progressed during the years in many ways and among the organizations which have grown with the school is the Reserve Officers' Training Corps. In its efforts to aid the school with the training of youth along lines of clean living and respect for constituted authority, the unit has worked closely with the faculty and has, over the years, gained a reputation for serious instruction and friendly cooperation.

The mission of the R.O.T.C. is to lay the foundation of intelligent citizenship within the student and give him such basic military training as will be of benefit and value to him and to the military service, if he becomes a member thereof.

GIRL'S CADET CORPS

This was the second year of the Girl's Cadet Corps which was organized by Captain William Clarke of the Military Science Department of Roosevelt. The girls, in their yellow dresses with red and white accessories, drilled on Mondays and added color to every parade in which the R.O.T.C. participated.

The officers contributed unique ideas for the corps, one of which was the organization of a drill team. Under the leadership of the Battallion Commander, Cadet Major Marilyn Warner, the members learned precision drill.

Cadet Captain Bette Revis, with two groups of six select juniors and sophomores, formed the Officers' School. The students under Captain Revis will be trained to take over the corps within two years and thereby carry on the work of this outstanding organization.

In March, the girls assisted in planning the annual Military Ball at Maluhia which turned out to be the climax to a highly successful year.

The GCC passes in review.

The Band, with sixty-five members, performed at all football games and rallies, R.O.T.C. drills and parades, and the Shrine Football Game. With the Orchestra, it toured Oahu, playing for rural and city schools.

Officers were: Wayne De Mello, drum major and captain; Louis Laul, alternate captain; Edward Shonk, lieutenant; Ted Gesulga, 1st sergeant.

A Dixieland Band was organized for participation in the Talent Show. The Pit Band and Orchestra performed, whenever called upon, for dramatic productions.

SONG AND CHEER LEADERS

"Rough Riders . . . Charge!!"

Yes, that was the spirit that followed one of our most successful years in sports. Leading us with the enthusiasm characteristic of Roosevelt's cheering sections, our pep-sters guided us through a bang-up year of football, climaxed by the championship Thanksgiving double-header.

Spurring us on through seven exciting games were Marilyn Lunt, head songleader, Helen McBirnie, Betty Lou De Coito, Winona Rodrigues, Barbara Mosher, and Waonette Silva. The girls, chic in their red and yellow dresses with contrasting carnation leis, truly boosted team morale.

Equally peppy and handsomely attired in their yellow and red uniforms were the hard working cheerleaders who led the crowd at football and basketball games. Under the leadership of Carol Benko, many novel cheers, such as "Rough Riders . . . Charge!" and "Fee Fi Fo Fum!" were introduced during the season. Paul Kane, Delthia Colburn, and Carl Lindquist composed one of the best groups of cheerleaders Roosevelt has ever had.

Cute little Lurline "Butchie" Rice was again our team mascot.

A CAPPELLA

Roosevelt's A Cappella Choir completed another successful year in its traditional manner of entertaining the students and the public of Oahu.

In their annual Christmas and Spring Concerts, they delighted both audience and radio listeners with renditions of Christmas carols, folksongs from all over the world, popular songs of today, and light classics. As usual, proceeds from the Christmas concert were donated to the Honolulu Advertiser's Christmas Fund.

Blending their talents with the school band and orchestra for the first time, the choir, consisting of 147 voices under the direction of Mrs. Alda C. Lee, gave a unique concert on March 7. Selections from "Kiss Me Kate" and the beautiful "Hallelujah Chorus" from Handel's "The Messiah" thrilled both school and night audiences.

CHOIR

Two other groups of singers derived from this body, the girls' Double Triple Trio and the boys' Double Octet, gave memorable performances at Maluhia Home and in the Aloha Week program. Living up to their name of being among the most active groups at Roosevelt, these two organizations combined with the public speaking and dramatics classes to present the "Ballad for Americans" for the annual Teacher's Convention held in the George R. Carter auditorium in November. In addition to community concerts, they sang medleys of old-time favorites in the annual talent show "Chow Fun 'n Shortening Bread" and gave an assembly for incoming sophomores.

Once again, Roosevelt's A Cappella Choir in its 16th year of existence has justified the pride of the school and community.

Roosevelt 23 Farrington 0

The Rough Riders upset the favored Farrington Governors 23-0 in their first league game.

The initial score came halfway in the first quarter when Roy Ryder rambled 12 yards around his left end for a touchdown. Ryder later broke loose for Roosevelt's second score and put the Red and Gold ahead by 14-0 at the half.

In the fourth quarter, Al Franco scored from six yards out for the final touchdown.

Two points were added late in the game when Farrington's Ben Rodrigues fell on the ball in his own end zone for a safety.

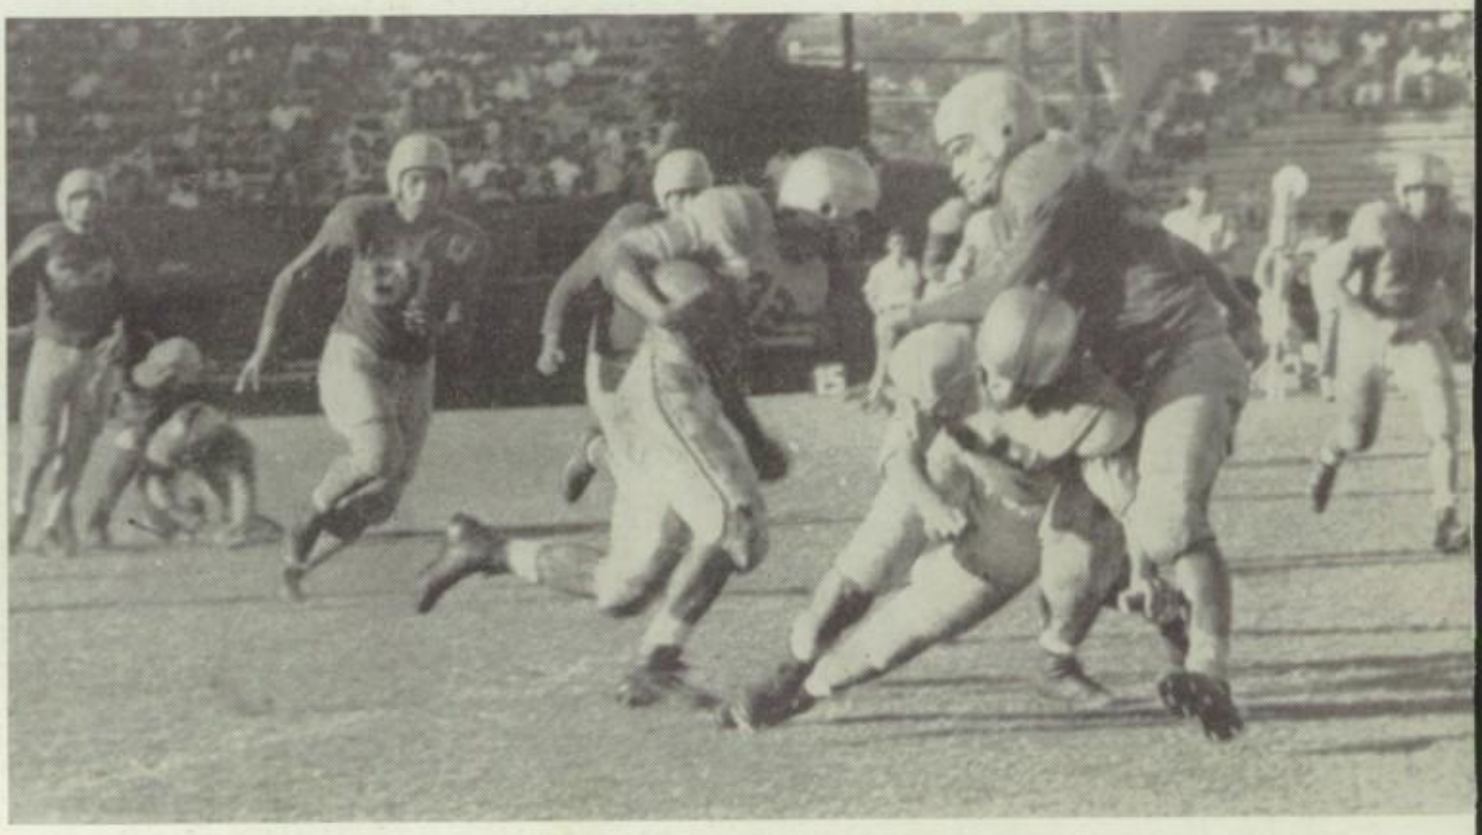
Ryder, Franco, and Henry George were outstanding for Roosevelt.

Roosevelt 45 Punahou 7

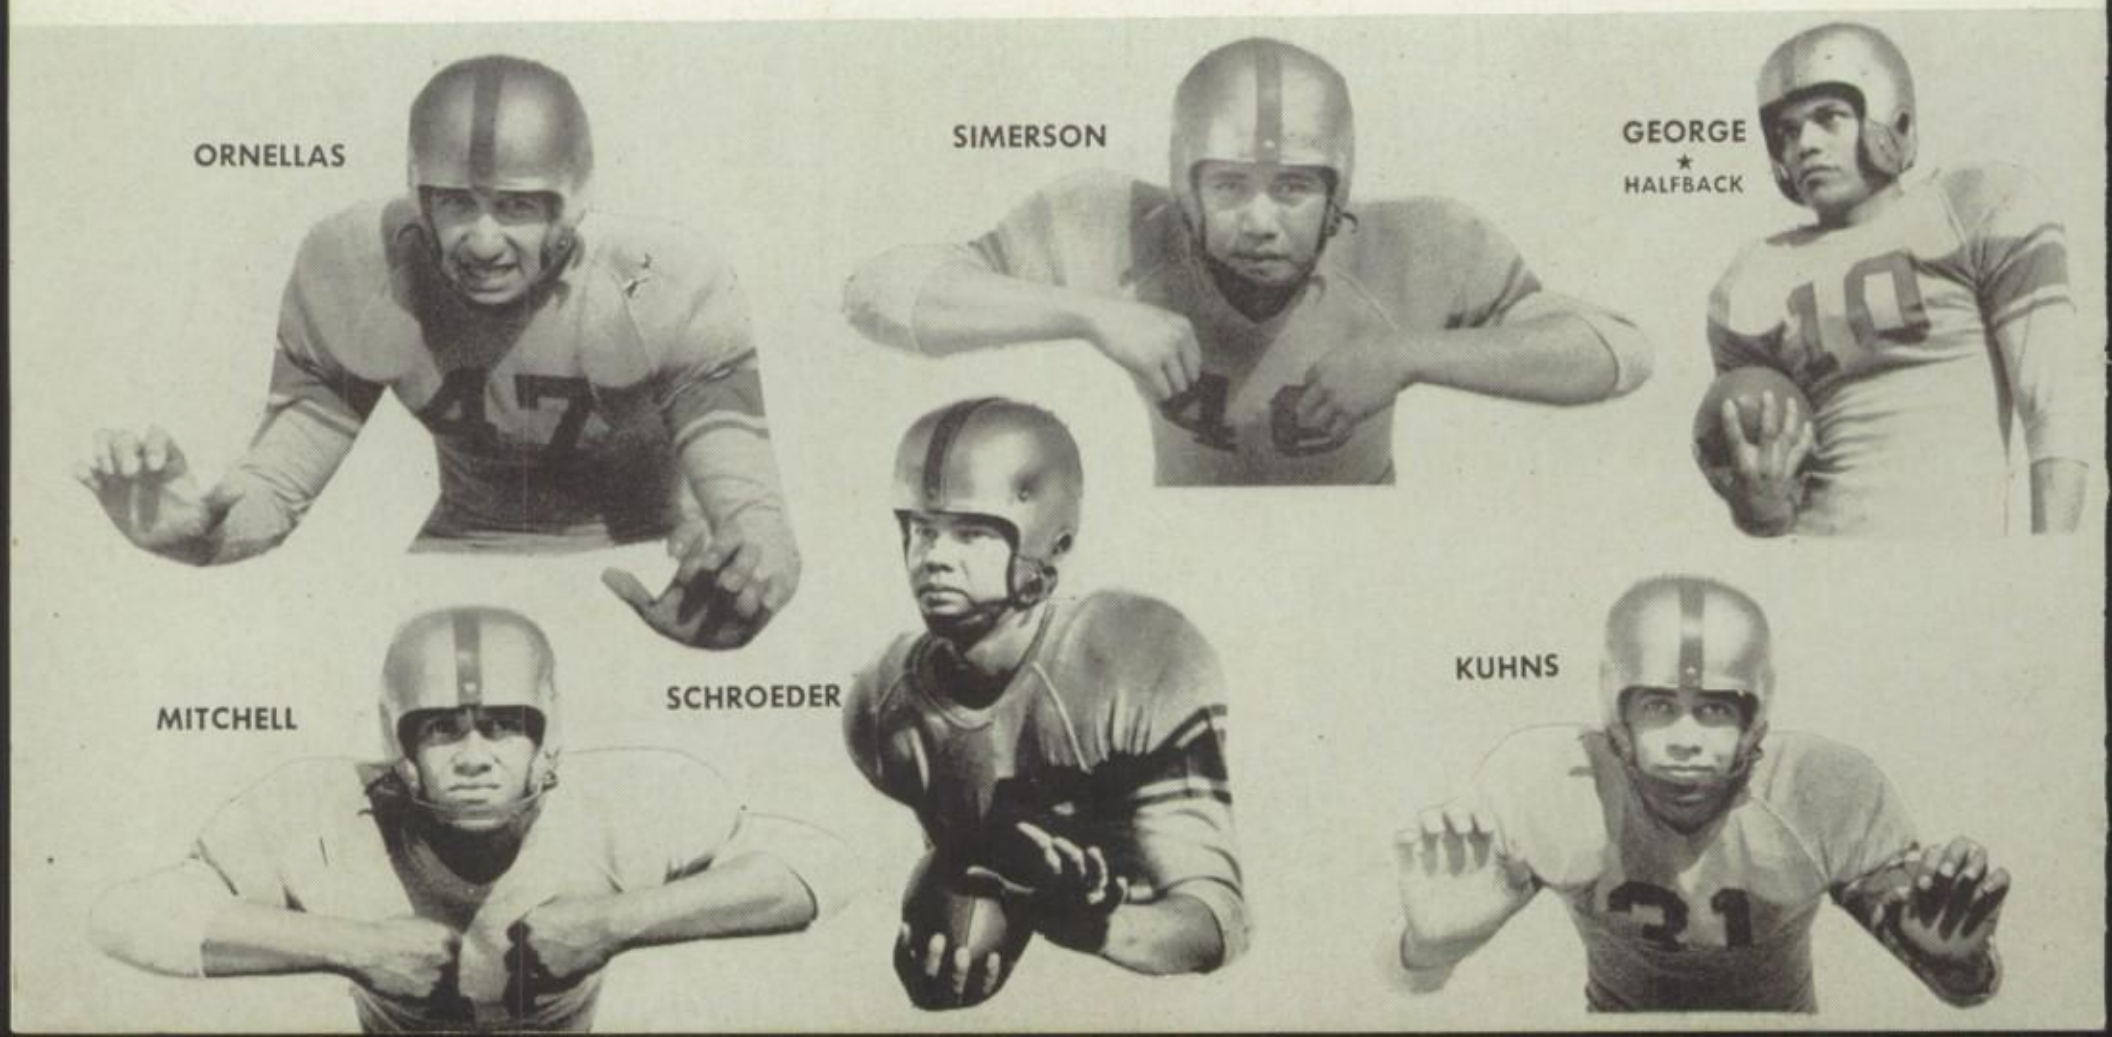
The Riders romped to an easy 45-7 victory over their traditional rivals.

After Punahou took a 7-0 lead, Roosevelt retaliated with touchdowns by Roy Ryder, Al Franco, Ralph Shultz, Lester Santos, and two by Henry George. Myles Marshman added three points from conversions.

Those playing heads-up ball on defense were Julian Ornellas, Spencer Schutte, and Al Franco. Roy Price, Dante Carpenter, John Simerson, Lester Santos, Roy Ryder, Henry George, and Larry Kuratani played inspired offensive ball to pace the Riders.



Sharp blocking paves the way for Franco.



Roosevelt 7 St. Louis 27

Roosevelt suffered a 27-7 setback at the hands of the St. Louis Crusaders for the only Rider loss in league play.

The fired-up St. Louis outfit packed too much power as Joe Aarona, Bob Cadinha, Ken Sereno, and Joe Nakoa scored for the Crusaders. Three extra points were added on a safety and a conversion by Ted Searle, Jr.

The Riders' only touchdown came late in the game when Roy Ryder broke loose on a thirteen yard end run.

Henry George played an outstanding game for Roosevelt.

Roosevelt 33 Iolani 20

The Rough Riders rolled over a scrappy Iolani eleven by a 33-20 score. Roy Ryder spearheaded the Red and Gold attack with three touchdowns. After Iolani punched over the initial tally, Roosevelt retaliated when Henry George and Ryder scored to put Roosevelt in the lead at half-time, 14-7. In the second half, Ryder galloped for two touchdowns while Iolani was held to one. Alfred Franco scored the clincher by blasting his way over from the ten.

The first touchdown came on a pass from Kuratani to Sanots which the latter caught on the 16 and scampered all the way to the goal line. Marshman made good his only conversion of the afternoon. Roosevelt tallied again on a line smash by Al Franco, but Kaimuki retaliated on a pass from Kawawaki to De Soto. After a scoreless third quarter, the Riders scored on a pass from Kuratani to Ernest Delima, standout Rider wingman.

Henry George accounted for the first two scores on runs of 49 and 29 yards. Roy Ryder tallied next on a 33 yard sprint. Larry Price blocked a McKinley punt to set up the fourth touchdown. On the following play, Ryder rammed his way over from the 4 yard line. With the aid of beautiful downfield blocking, Ryder scampered 39 yards for the final score. Myles Marshman made good three conversions.

Ryder and George sparkled in the backfield while Larry Price and Max Kuhns shone on the line.

Roosevelt 20 Kam 7

The Roosevelt Rough Riders blasted the Kamehameha Warriors 20-7 for a smashing upset victory. The fired-up Red and Gold eleven outcharged and outplayed Kam with Henry George and Roy Ryder displaying their running ability. George scored the first touchdown on a double reverse which was good for 16 yards. His second touchdown came on a 7 yard off-tackle smash. Ryder slammed over from the one yard line for the final tally. Marshman split the uprights for 2 points.

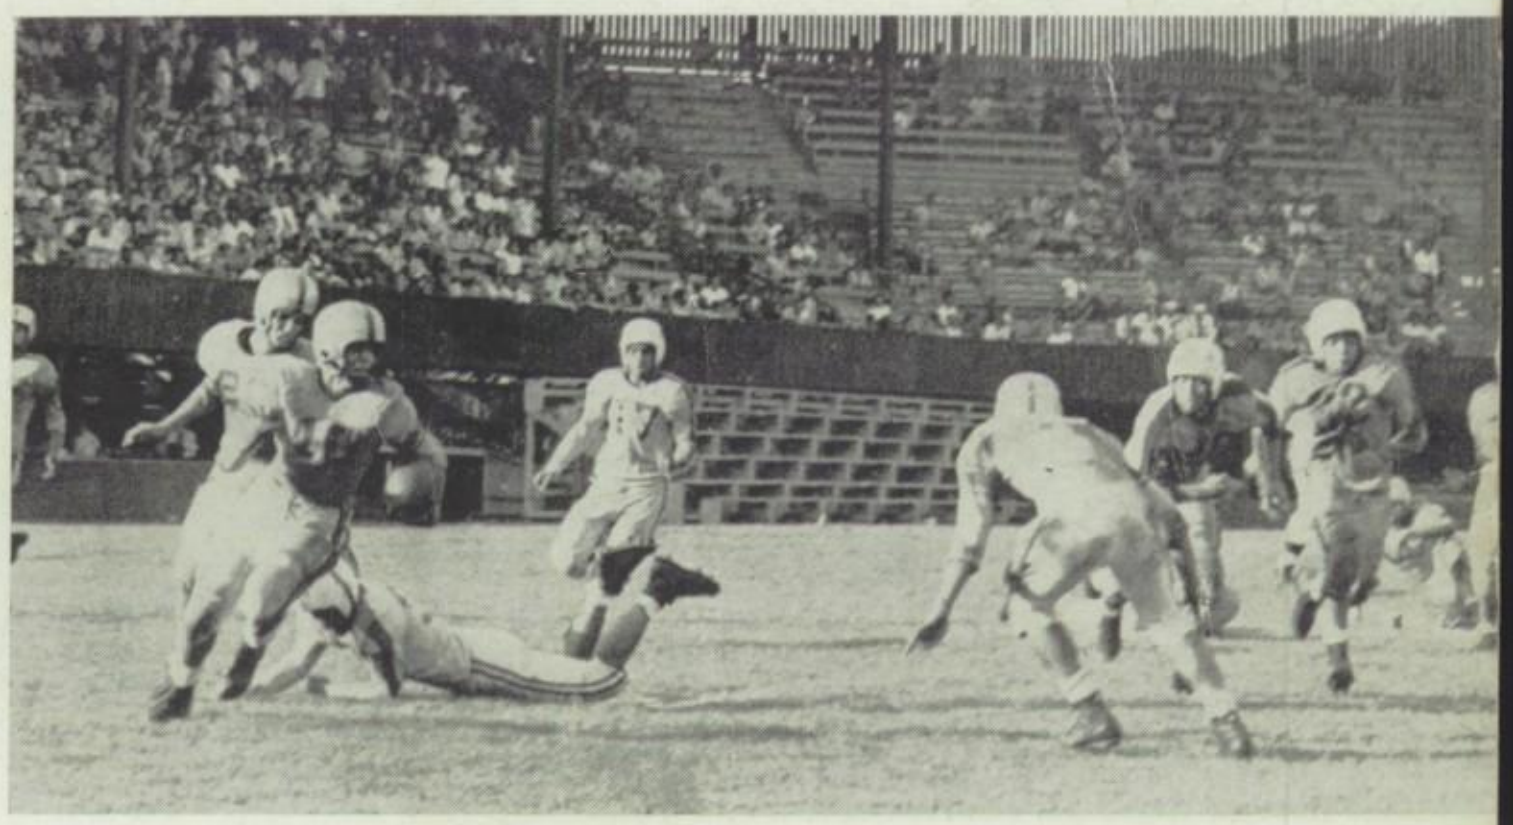
Sam Mokuahi and Norman Maunakea, powerful RHS tackles, played a brilliant game along with alert linebacker, Wallace Gonsalves.

Roosevelt 0 Kam 6

The Riders lost to the Kamehameha Warriors 6-0 in the Thanksgiving championship playoff.

It was mostly a defensive game with both lines holding when their goals were threatened. However, Pat Hiram succeeded in plowing over from the one yard line for the only score of the game. Kam held the ball throughout most of the first half but Roosevelt fought back in the second half with Roy Ryder and Henry George making most of the gains. A Rider drive in the last period fell short when Kam intercepted Larry Kuratani's pass.

Ernest Delima, Roy Price, and Spencer Schutte were outstanding on defense while Ryder and George again led the offensive attack.



An end sweep nets George a first down.

JUNIOR VARSITY FOOTBALL

Although the Roosevelt Junior Varsity football gridders did not finish in the first division, they displayed fine spirit and sportsmanship in all of their games. With almost an entirely new team, they lost their first game to McKinley, 13-0. After losing 20-6 to Kaimuki, the Rider Babes trounced Punahou 19-6 for their first and only victory. In the next three games, they proved no match against Iolani, Farrington, and Maryknoll.

Some capable prospects for next year's team are halfback Wilfred Pulawa and end Henry Wasson. Others include McOrin Lima, Franklin Kho, Arthur Hoke, Alec Lambert, Gordon Nahale, Kenneth Braga, Ronald Honda and Robert McLean.

SENIOR BASKETBALL

Under Coach Peter Chun, mentor of last year's championship junior squad, the Roosevelt basketball team ended the season in a tie for second place with St. Louis. The round-robin series was dropped and a single-elimination tourney introduced. All the teams in the league participated in the President's trophy playoff. Roosevelt took an easy win over Iolani 52-18, but lost to St. Louis 39-28 in the semifinals.

RHS 64—MPI 58

In their opening league game, the Rough Riders outlasted Mid-Pacific 64-58 in a high scoring contest. John Jardine led the Riders with 21 points while Sherwin Fellezs netted 17.

RHS 37—McKINLEY 39

Roosevelt lost its first game to the McKinley Tigers 39-37. The Riders led most of the way, but Fred Robbins of McKinley clinched the game with a field goal with ten seconds remaining. Jardine was high point man with 11 points followed by Fellezs with 9.

RHS 36—IOLANI 24

The Red and Gold quintet rallied in the final period to down plucky Iolani by a score of 36-24. Fellezs garnered 17 digits while Jardine bucketed 10.

RHS 56—PUNAHOU 36

Trailing by a slim margin in the first quarter, the Makikians rallied strongly in the last frame to cop a 56-36 victory over their traditional rivals, Punahou. Jardine registered 17 points and Fellezs followed with 14 points to pace the Rider attack.

RHS 33—FARRINGTON 43

Roosevelt's Rough Riders were bested by the powerful Farrington Governors 43-33. The contest was a see-saw battle all the way but Farrington broke away late in the final quarter to win. Fellezs netted 12 points and Jardine 10. Playing well on defense were Fellezs, Jardine, and Norman Maunakea.

RHS 55—KAMEHAMEHA 47

In a thrilling see-saw contest, the Red and Golds defeated Kamehameha by a 55-47 count. It was a close battle for three periods as the lead changed hands twenty times. Jardine netted 18 points, Fellezs 12, and Maunakea 9 to give Roosevelt possession of second place.

RHS 59—ST. LOUIS 51

The Makiki quintet downed the St. Louis Crusaders 59-51 in a stunning upset victory. Roosevelt led most of the way and iced the game late in the third quarter on Captain John Jardine's clutch shooting. The rangy RHS center was high point man with 17 markers, while Fellezs, Ernest Pacarro, and Norman Maunakea scored 14, 11, and 9 points respectively.

RHS 37—KAIMUKI 35

Leading all the way, the Riders downed a fighting Kaimuki Bulldog outfit 37-35. The Roosevelt quintet was never seriously threatened until the last quarter. Pacarro and Fellezs sparked the attack with ten points apiece, followed by Jardine with 8.

RHS ALL-STARS

Roosevelt captain, John Jardine, and forward Sherwin Fellezs were awarded first string positions on the Interscholastic All-Star team. Jardine was the top scorer in the league, while Fellezs placed second. Both were influential in Roosevelt's successful basketball season.

JUNIOR BASKETBALL

Hail to the Champions! Under coach William Young, the Rider Babes again garnered the Honolulu Junior Interscholastic Championship. The Babes won ten contests to run their consecutive winning streak to twenty games. The team functioned well together, showing good spirit, fine play, and sportsmanship to form a smooth working machine. It was only after considerable work and hours of practice that the team again won the championship. Credit is due the team, coach, and managers.

There were many thrilling moments which will be remembered by fans and team members. During the Maryknoll game, when the Babes were three points behind with two minutes remaining in the contest, Gordon Jim iced the contest with two quick field goals. In the third quarter of the Farrington game, the team scored 18 points to kill the Governors' hopes of a victory. Another thrilling game was the St. Louis clash. During the first three quarters, it was a close battle with the Babes ahead by a narrow margin. Finally, in the last quarter, the team caught fire and broke away to an easy 44-36 win.

VARSITY "R" CLUB

The prime purpose of the Varsity "R" Club this year was to create a feeling of unity among varsity lettermen of all major sports. It also worked toward the betterment of athletic standards at Roosevelt and attempted to promote more school spirit and morale at sports contests.

The club was organized in 1949 with former stalwart Rider tackle, Allan Kersenbrock, serving as President. The following year, Donald Pacheco headed the club and introduced various activities in which the members participated.

This year's officers were Lawrence Kuratani, president; Kelvin Young, vice-president; Garfield Kang, secretary-treasurer; Alfred Franco, sergeant-at-arms; and Coach Henry Vasconcellos, adviser.

GOLF

After a year's absence, the Red and Gold golf team returned to Interscholastic competition. Mr. William Waters headed the reactivated divot diggers. The team practiced at the Ala Wai golf course, establishing handicaps, and gaining valuable experience. George Nahale, senior and 1950 letterman, and Noble Kawai, were team co-captains. Juniors returning next year are Noble Kawai, Kingsley Kau, Raymond Omoto, and Richard Hensen. Sophomore prospects are Peter Lombard, Gerald Sakai, William Abernathy, Pat Ford, and George Muramoto.

GIRLS' TENNIS TEAM

The Roosevelt Girls' Tennis team was first organized in 1934 under coach Victor Ligda. In 1952 it won the interscholastic girls' title under the capable management of Mrs. Lei Lee, coach, and Miss Elizabeth Kauka, instructor. Credit also goes to captain Edwina Lee and the two managers, Sybil Chock and Rowena Sue.

Seven regulars and three alternates made up the team which downed Kamehameha, Punahou, St. Andrew's Priory, Mid-Pacific, McKinley and Farrington.

In 1951, Edwina Lee and Victoria Andrade defeated a Punahou double team, winning individual trophies in the Kam School Tournament.

SWIMMING

Though hindered by lack of depth, the Roosevelt swimming team showed well in the 1952 Interscholastic swim meets.

The girls' team, led by co-captains Julia Murakami and Winifred Numazu, swept the annual Uluniu bowl meet and placed second in the Girls' Interscholastic meet. They broke four records and tied one to capture top individual honors in nearly every meet. Winifred and Julia set new marks besides tying an old one and paced their team to two relay records. Judy Jackson and Audrey Char were the other standouts on the record breaking relay team.

Coach Elizabeth Duncan also managed to mold a surprisingly powerful boys' team. The Rider mermen came through in fine style in the Junior Scholastic meet, copping second place and two blue ribbons.

ROW 1: James Brady, Grafton Jhung, Ronald Honda, Tony Casalano. ROW 2: Sam Mokuahi, John Carleton. MISSING: Howard Miura, Robert Souza.

TEAM

Co-captains Grafton Jhung and John Carleton were influential in Roosevelt's fine showing in the territorial meet. The Rough Riders placed third, only six points behind second place Punahou.

Individual standouts for the boys were Ronald Honda, who won the Yale and Territorial meets' 440 title, and later broke Ford Konno's A.A.U. Junior 220 record; Grafton Jhung, who copped the Junskol 50 yds. backstroke event; John Carleton, who won the 50 yds. freestyle novice title in the Yale meet; and Melvin Weaver, winner of the 50 yds. freestyle in the Junior Scholastic swim meet.
